

## **Great Finborough Allotment Association**

### **Report for Parish Council Annual meeting**

**Wednesday 18<sup>h</sup> May 2022**

As we are emerging from the restraints of the Covid pandemic have been able to meet again and had a very jolly socially distanced workparty and annual bonfire on the site in November – with a gorgeous rainbow - and our first AGM for a couple of years in December. The year had seen a bumper fruit harvest and the flowers looked magnificent on the site. Sadly we had no competitions during the year, but we hope to reinstate these in the future.

Thanks to all who have worked so hard and put in many hours to improve the hedgerows, paths, water tanks and all the other jobs that get done quietly behind the scenes. And to those who provide tasty food and drink at workparties. Also big thanks to the Parish Council for their help and support.

The allotment plots are all occupied at the moment and we have one person on the waiting list.

The Allotment Association's finances are in good shape - a little more than breaking even each year. We have a surplus of £950, which is being held to cover repairs and replacement equipment and annual insurances.

A huge thank you to everyone for their continued help and support.
